SUMMARY

Motivated and detail-oriented Prompt Engineer and Data Analyst Intern with hands-on experience in designing, testing, and optimizing prompts for large language models, along with performing data analysis using Python, SQL, and Power BI. Skilled in extracting insights, improving AI response accuracy, and supporting data-driven decision-making. Seeking an internship opportunity in Generative AI or Data Analytics to gain industry exposure and contribute to impactful solutions.

SKILLS

Technical Skills

AI Automation & Workflow Orchestration: AI Workflow Automation | LLM-based Automation | Prompt Engineering | No-Code / Low-Code Automation | API Integrations | JSON Handling

Data Analytics & Visualization: Data Cleaning | Exploratory Data Analysis (EDA) | Automated Reporting | Power BI | MS Excel | Business Insights Programming & Tools: Python | SQL | NumPy | Pandas | Matplotlib | Seaborn | Jupyter Notebook | Linux | Windows

Soft Skills

Analytical Thinking | Problem Solving | Process Optimization | Communication | Team Collaboration | Decision Making | Time Management | Learning Agility | Attention to Detail

PROJECTS

AI Resume Optimizer (Prompt-Based Project)

- Designed structured prompts to analyze resumes and improve ATS compatibility
- Used role-based prompting to simulate HR and recruiter perspectives
- Improved output consistency using formatting and constraint prompts

Bakery Sales Analysis (Data Analytics Project)

- Performed data cleaning and exploratory data analysis using Python
- Identified top-selling products, sales trends, and peak business hours
- Generated actionable insights to support inventory planning and business decisions

COVID-19 Data Tracker (SQL & Power BI Project)

- Developed a COVID-19 data tracking and analysis system using SQL and Power BI
- Analyzed confirmed cases, recoveries, and death statistics across multiple regions
- Created interactive dashboards with charts, filters, and trend visualizations

EDUCATION

Sangam University, Bhilwara

B.Tech. Computer Science Engineering | CGPA: 7.29

Shree Mahesh Public School, Bhilwara

12th CBSE | Percentage: 65

Shree Mahesh Public School, Bhilwara

10th CBSE | Percentage: 76.5

CERTIFICATION

- Python Programming course – SAWAYAM
- Prompt Engineering - Udemy
- Data Analytics Job Simulation – Deloitte
- Introduction to Data Science – Infosys
